To become a doctor

When I was young I decided I wanted to be a doctor, so I took the Medical School entrance exam .

One of the questions was to rearrange the letters "PNSEI" into the name of an important human body part which is most useful when erect.

Those who answered "SPINE" are doctors today. The rest of us are sending jokes via email.

Mathematical oddity...try this on your friends

This year is a mathematical oddity that will only happen once!

If you add your age and your year of birth, you will get.....2018.

Try it out and try it on your friends. It will never happen again!

Wisdom of Age

I didn't make it to the gym today. That makes five years in a row.

I decided to stop calling the bathroom the "John" and renamed it the "Jim". I feel so much better saying I went to the "Jim" several times today.

Old age is coming at a really bad time.

When I was a child I thought "Nap Time" was a punishment. Now, it feels like a vacation.

The biggest lie I tell myself is "I don't need to write that down, I'll remember it."

Last year I joined a support group for procrastinators. We haven't met yet.

Good Decision-Making

I went to the liquor store Friday afternoon on my bicycle, bought a bottle of Crown Royal and put it in the bicycle basket.

As I was about to leave, I thought to myself that if I fell off the bicycle, the bottle would break.

So I drank all the whiskey before I cycled home.

It turned out to be a very good decision, because I fell off my bicycle seven times on the way home.

Friends - please be careful

Yesterday I went to a Christmas party. I had a few beers, followed by a few cocktails, followed by a few shots....

I still had the sense to know that I was over the limit. That's when I decided to do what I have never done before: I took a cab home.

Sure enough, there was a police road block on the way home, and since it was a cab, they waved it past. I arrived home safely without incident. This was both a great relief and a surprise because I had never driven a cab before. I don't even know where I got it from and, now that it is in my garage, I don't know what to do with it.

SERIOUSLY

Be safe this season!!!
